## Message From The Principal

I warmly welcome you to Kisauni VTC, a place where you can gain skills and knowledge needed to shape your future. Here, we believe in hard work, determination, and practical learning to help you succeed in your career or business.

Our accredited programs, dedicated trainers, and supportive community will guide you every step of the way. Make the most of this opportunity, stay focused, and embrace the journey ahead. I wish you success and fulfilling Careers.

### SCHOOL BACKGROUND

Kisauni Vocational Training Centre was established in 1968 at Majengo and has since undergone significant growth and transformation. In 1990, it was among 64 Youth Polytechnics in Kenya that were upgraded to offer Artisan courses.

Today, we provide Kenya National Examinations Council (KNEC) Artisan Courses and National Industrial Training Authority (NITA) Trade Tests (formerly known as Directorate of Industrial Training - DIT). Over the years, we have empowered thousands of students with valuable technical skills, enabling them to secure employment or venture into self-employment.

As a community-managed institution, we have thrived through the support of the local community, government grants, and contributions from well-wishers both locally and internationally.

### OUR INSTITUTION

Kisauni Vocational Training Centre offers a wide range of programs designed to accommodate students from various educational backgrounds, including primary and secondary school leavers. Our courses are tailored to equip learners with hands-on skills, preparing them for the job market or entrepreneurial success.
